2.	АРТ-ХОЛДИНГ МЕДИАРОСТ	<p>English Company Name: Mediarost Publishing House Publishing Profile: Ethnography, local history, fiction, art books (albums), non-fiction, children’s literature, art books in different formats. Mediarost specializes in books devoted mainly to the history, culture, ethnography, nature, and people of Russia’s regions. We publish books about regions with ancient history and a large number of historical and cultural monuments. In particular, we publish various book series; for example, the 25-volume “Library of the Yaroslavl Family,” which describes one of the most ancient Russian regions, with many cultural monuments and several cities older than a thousand years. Another well-received series is “Echo of the Epoch: Diaries and Memoirs.” These are memoirs and diaries written by ordinary people — neither politicians, scientists, military leaders, writers, nor artists — at different times, with different styles and topics. This series provides unique monuments of culture from both historical and linguistic points of view.
